For many years our partner churches have entrusted iSEE COLLEGE with students whose potential has been unlocked through our facilitated process of spiritual and academic transformation.

“The growth in my leadership has been so significant. I’ve learned how to lead effectively with biblical truth and courageously evangelise to people I don’t know. I am being transformed into a courageous leader.”

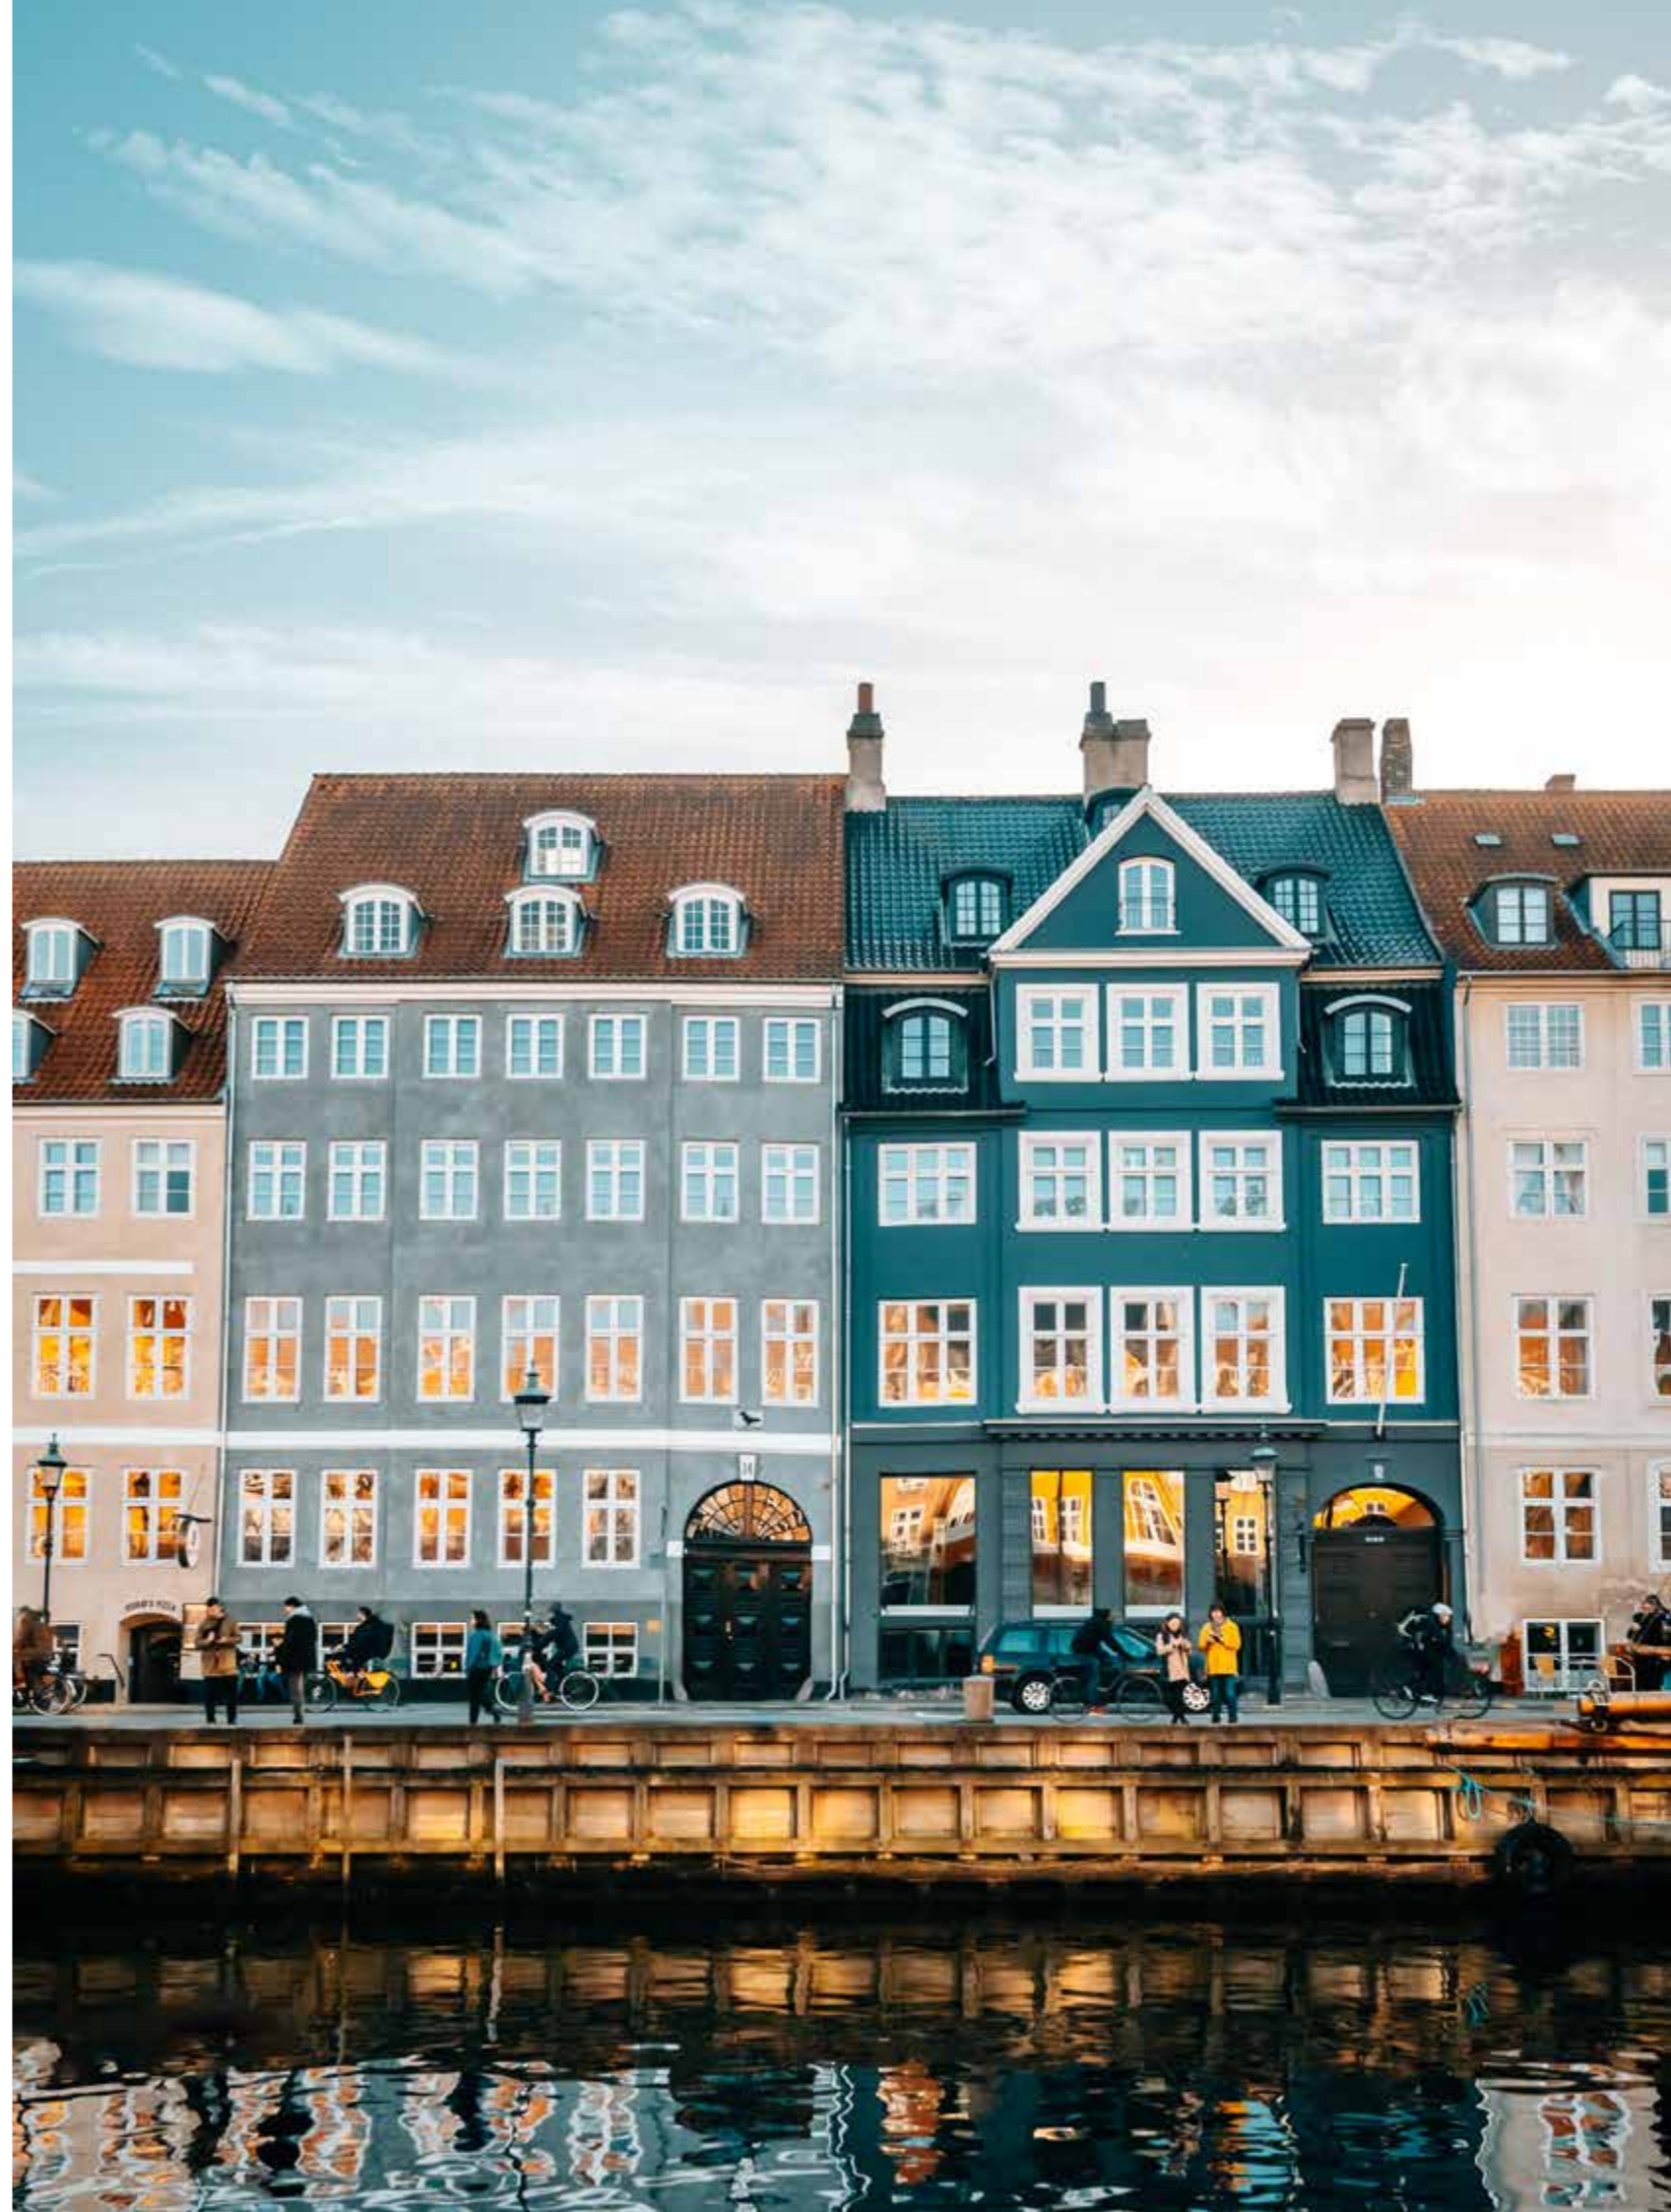

- Dominique OBrien, iSEE CHURCH

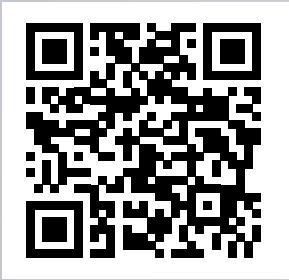

JOEL'S STORY

The years I spent at iSEE College are easily some of the most formative of my life, personally, spiritually and discovering Gods calling on my life.

When I started it was a step of obedience and by the time I left I was walking in purpose, equipped with tools I needed to be a great Pastor and leader.

These days I work full time as a Pastor of a church in Copenhagen, Denmark and also am the National Youth and Young Adults Leader of the Apostolic Church Movement.
